

## SEAL OF APPROVAL PROGRAM

Each year thousands of Canadian seniors choose to live in independent or supportive communities because they offer another lifestyle option. The attraction to seniors of this type of living includes safety, security, social, spiritual, meal options and assistance with daily living.

The BCSLA Seal of Approval continues to set the highest standard of safety and services in British Columbia.

To obtain the **BCSLA Seal of Approval**, the senior community must complete both an internal self-assessment and an independent external review. Successful communities meet multiple criteria in five areas:

**safety measures, infection control, staff training, resident services, and assisted living supports.**
