

Amica at Edgemont Village is proudly awarded the Seal of Approval designation by BC Seniors Living Association

January 3, 2018 – North Vancouver, BC – The BC Seniors Living Association (BCSLA) announced today that **Amica at Edgemont Village** has been awarded the Seal of Approval designation.

BCSLA launched its Seal of Approval program in November 2009, which assesses their member communities for the highest quality of standards within the Senior Living Communities.

Marc Kinna, BCSLA President, states, “The Seal of Approval is a self assessment and external review of five areas within a senior living community that assures the senior and their family the very best quality of services and care.”

The assessment process details criteria within each of the five areas - Safety, Infection Control, Staff Training, Resident Services, and Assisted Living - which must be met in order to achieve and be rewarded the designation.

What does this mean to seniors? Marc states, “By ‘raising the bar’ to achieve the Seal of Approval, Amica at Edgemont Village has shown a commitment to provide service standards of Excellence, Integrity, Leadership, and True Passion for senior residents of today and tomorrow.” BCSLA congratulates them on this commitment to their residents’ care and well-being.
