

Dear BCSLA members,

I am writing to let you know that we are aware of the Bill 18 amendments that have been introduced in the BC Legislature.

President Marc Kinna and I have a meeting scheduled, in early May, with Honourable Selina Robinson, Minister Municipal Affairs and Housing. We will speak with Minister Robinson on the proposed amendments, to ensure that they do not negatively impact our industry and rental housing for seniors in BC.

With this announcement, BCSLA will also have an opportunity to advocate to the candidates in the upcoming municipal election. Stay tuned for the BCSLA election strategy and election kit coming to you ahead of the October 20th 2018 election.
