

You are needed right now. Days. Evenings. Night lines available.

At **Glenmore Lodge Care Community** we want every day to be more fulfilling. As a valued member of the care team, you will work together to provide patient-centred care in a highly respected long-term care residence.

This is a temporary full time opportunity.

Offering: *sign on bonus*, starting pay rate of \$25.33, flexible shifts, good work-life balance.

As a Care-Aide your typical day will impact in the following ways:

- Providing care and services to the residents with respect to their senses, communication, activities of daily living and personal life style choices.
- Observing, reporting, recording resident conditions and follows care plans as directed by the Registered Nurse and/or Licenced Practical Nurse.
- Participating and contributing in all aspects of quality, risk, records and infection control measures and/or programs.
- Dealing courteously with residents, resident's family, visitors and team members in a positive manner.

Must haves: - VALID Care Aide Certificate and current first aid. - All applicants must successfully pass the BC Criminal Records Check.
