

If you're passionate about being a part of a team that is, committed to the Team Member Experience and driven by innovation and growth, then join us!

*We are looking for a temporary full time RN to join our team!*

The Registered Nurse is a critical role within our communities as it impacts the lives of residents and ignites the warmth of human connection.

As a Registered Nurse your typical day will impact in the following ways:

- Provides for nursing care in accordance with established policy, physician's orders, the resident plan of care, and within the scope of practice of a RN. Utilizes sound nursing practice principles to ensure delivery of excellent nursing and personal care in the assigned home area(s).
- Ensures a timely and accessible admission for the residents including a comprehensive orientation to the home and the services offered within the home.
- Ensures that resident transfers and discharges are timely and safe.
- Ensures the supply, control and safe keeping of drugs and narcotics, ensures protocols are followed on all assigned shifts.
- Responsible for assessing, planning, implementing and evaluating nursing care to meet the physical, psychological, emotional, spiritual, cultural and social needs of the residents.
- Responds to all emergencies immediately; acts as the emergency manager until relieved by the ADOC, DOC or Executive Director.
- Collaborates with the interprofessional team including medical team members, clinical specialists, and consultants in support of effective clinical care for all residents.
- Participates in in-services and education of nursing team members and other departments as required.
- Acts as a role model for nursing team members performing within the professional guidelines of College of Nurses in the applicable province and in accordance with relevant provincial legislation requirements.
- Performs other duties as assigned.

Must haves:

- Bachelor of Science – Nursing (BScN), Bachelor of Nursing (BN), or equivalent.
- Current registration as a Registered Nurse with the College of Nurses of Ontario. Applicable to Ontario applicants.

- Current registration with the BC College of Nursing Professionals. Applicable to British Columbia applicants.
- Current Basic Cardiac Life Support (BCLS) certification.
- Minimum of two years related clinical experience (experience in rehabilitation or long term care nursing preferred).
- Sound knowledge and background in geriatric, rehabilitation or long-term care nursing including activation, activity programs, nursing and personnel administration.
- Knowledgeable with respect to the nursing process, developments and current trends in the geriatric care field.
- All applicants must successfully pass the prescribed Criminal Records Check. Applicable to British Columbia applicants.

Bonus points for having:

- Minimum of two years related clinical experience (experience in rehabilitation or long term care nursing preferred).
- Certificate in gerontological nursing preferred.
